OBJECTIVE

Ambitious and self-driven Computer Science and Business Systems student seeking to gain industry exposure in a dynamic environment. Eager to apply my technical knowledge, strengthen my problem-solving skills, and explore my interest in web design, development, and modern digital technologies.

TECHNICAL SKILLS

Languages : • HTML • CSS • C • Python	Technology: • Web Development • Data Analytics	Tools : • VS Code • Excel • Canava • Postman
--	---	---

PROFESSIONAL EXPERIENCE

Web Design & SEO Intern	
360Degree InfoTech – Webpage Development	May 2025- July 2035
Worked as a Web Design & SEO Intern at 360Degree InfoTech, where I designed and structured key website pages like Home, About Us, and Services. Built a responsive UI using HTML, CSS, and Bootstrap. Contributed to SEO through keyword optimization, backlink creation, and website promotion to improve search engine rankings.	
Python Programming	
Codesoft	July-2024 August-2024
Completed an online internship focused on core Python concepts including functions, file handling, and OOP. Applied programming skills through hands-on tasks and mini-projects to strengthen problem-solving and logic building.
